We're excited to announce that Rx Return Services (RxRS) is now the preferred reverse distributor for Azend Pharma. With over 20 years of pharmaceutical expertise, RxRS understands the unique challenges you face in managing pharmaceutical returns and waste. Headquartered in Clearwater, Florida, we provide a comprehensive range of services, including pharmaceutical returns and disposal, that streamline complex processes into personalized, hassle-free solutions. With transparent, competitive pricing and exceptional customer service, RxRS is your trusted partner for all your reverse distribution and pharmaceutical waste management needs.

AZEND PHARMA BENEFITS

Single Check Payments

One consolidated payment instead of managing multiple credits.

Detailed Tax Write-Offs

Itemized summary of your non-returnable items for accurate tax documentation.

Reduced Return Fees

Lower return fees based on actual value, not estimated recovery value (ERV).

Simplified Paperwork

Easy access to clear, compliant documentation for your accounting, IRS, DEA, and EPA needs.

No Minimum Return Fees

We accept returns of all sizes with no minimum fees required.

Free In-Date Storage

Store for nonexpired and unused products at no extra charge.

Flexible Service Options

Choose between free mail-in/self-service or our local rep service.

SERVICE OPTIONS

RXRS QUICK CASH

Pharmaceutical Reverse Distribution

Our mission is to make pharmaceutical returns simple and effective, without compromising on customer satisfaction. We offer cost-effective services, clear pricing, and a 90% payout within 90 days, all processed through a single payment.

RX DISPOSAL SERVICES

Pharmaceutical Waste Destruction

RxRS offers compliant, easy-to-manage disposal solutions for unwanted pharmaceuticals. Combining outstanding customer service with innovative technology, we help you manage waste efficiently and with full regulatory compliance.
